PROPERTY & CASUALTY AGENTS ELIGIBLE PRODUCT PLACEMENTS

Newly Licensed Agents Only

This initiative was designed to provide Errors and Omissions (E&O) coverage to individuals who have had their Property & Casualty insurance license in place for less than three years. The rating structure in place assumes that our policyholders would initially be limited to placing standard lines of business. The acceptable coverages are written on an admitted basis and involve standard policy forms containing non-negotiable terms and conditions.

The following chart shows lists of acceptable and unacceptable products.
